

# Children's Advocacy Center

## What is *Stewards of Children*?

- A proactive answer to child sexual abuse prevention.
- A training program that incorporates a combination of survivor stories, expert advice, and practical guidance.
- An evidence-informed prevention solution that shows organization administrators, staff, and volunteers how to implement effective prevention policies, recognize the signs of sexual abuse in children, and react responsibly if abuse occurs.

## Why choose *Stewards of Children* for your organization?

*Stewards of Children* was developed to meet the needs of a variety of organizations. Training addresses:

- Prevalence and consequences of child sexual abuse for communities and organizations.
- What situations create the risk for abuse.
- Practical strategies for protecting children from sexual abuse.
- Behaviors and grooming techniques practiced by perpetrators.
- How to intervene and react responsibly if warning signs appear or abuse is discovered.

## What Outcomes Can Be Expected After Training?

- Increased awareness of the prevalence, consequences and circumstances of child sexual abuse
- New skills for adults to prevent, recognize and react responsibly to child sexual abuse
- Proactive, positive change to organizational policies and procedures
- Individual commitment to action via a personal prevention plan

*"This is an excellent, informative training. Knowledge is power; it would be great if more organizations took the initiative to provide this training opportunity."*
